GRANTS UPDATE

Let's get ready to vote!

Our Grant Review Committees have been hard at work these last months studying applications, attending site visits, and considering which of the many wonderful proposals they will present to members at our Meet the Finalists event on April 20.

For this, our 15th anniversary year, we'll award a record \$350,000 in funding. In addition to awarding at least 13 Impetus Grants, we are very excited to launch our new Encore Grant program, which will award one Impetus Grant recipient a second year of funding in the same amount. The Encore Grant recipient also will have the option to select one woman from among its staff, board, or volunteers to become a fully paid, voting member of Impact100 Sonoma for two years.

Because grant voting includes this new component, we encourage you to review the voting instructions **HERE**. The process for making your Impetus Grant and Encore Grant selections will become clear when you receive your online ballot via ElectionBuddy.

We always recommend that Meet the Finalists event attendees bring tissues, as well as a pencil or pen for annotating the printed program. But even if you can't attend, you can still choose with confidence. Starting the same day, you'll be able to access full proposal summaries in the Member Portal of our website, linked via the home page or your ElectionBuddy email.

CO-PRESIDENTS MESSAGE

The calendar may say it's spring, but as we write this, it's still gray and rainy. Let's hope April brings bud-break, daffodils, and warmer weather.

We salute our Grant Review and Financial Review Committees on completing their important work and hope you're planning to join us at the Sebastiani Theatre on Saturday morning, April 20, for our inspiring Meet the Finalists event. Please be sure to cast your vote online, and then join us at Hanna Center on Saturday morning, May 4, at our 15th Annual Grant Awards Celebration.

We are thrilled to announce that Impact100 Sonoma has chosen **Kathy Bloch** as our Sonoma Valley Catalyst Fund Star Volunteer. Kathy serves on our board as Grants Oversight Co-Chair and is a longtime, vibrant, and steady leader of our Grants Team. She has helped train Grant Review Committee members, has helped implement our new grant management software system, has participated in many, many events, and continues to be a key contributor to the organization in countless ways.

Kathy will join other honorees from local nonprofits at the 14th Annual Star Volunteer Awards ceremony celebrating volunteerism in the valley on Sunday, April 28, from 2:00 to 4:00 PM at the Hanna Center auditorium. The event is hosted by Sonoma Valley Catalyst Fund and co-sponsored by Community Foundation Sonoma County and CarePartners. Congratulations Kathy! We are proud for you to represent us.

We look forward to seeing all of you at our Meet the Finalists event and 15th Annual Grant Awards Celebration!

Claudia Sims and **Debbe Noto**, Co-Presidents, congratulate **Kathy Bloch**, Star Volunteer Award recipient.

COMMUNITY OUTREACH

Successful Blood Drive Helps Reduce National Shortage

On March 15, our blood drive in partnership with the American Red Cross drew 24 donors and collected 21 units (about 21 pints) of blood to help reduce the U.S. supply shortage, the lowest in 20 years. We thank the Sonoma Community Center for again hosting this event, and our volunteers and donors for their support.

Our next blood drive is slated for **Friday, November 8, from 10:00 AM to 3:00 PM** at the Sonoma Community Center. To help ensure all slots are filled, we will keep a walk-in list for those who might not want to commit in advance but still donate.

Joanne Brown offered this advice for amplifying our voices: continue to be active in Impact100 Sonoma; don't neglect your interests, which contain unrecognized skills; watch for implicit bias in work that comes before you; volunteer in schools and help young women see a path ahead; get involved in local government; and read your local newspapers and hold them accountable.

Special guest District 1 Supervisor-Elect **Rebecca Hermosillo** introduced herself to the audience and engaged with constituents. The Sonoma Valley native and daughter of Mexican immigrants will be the first Latina to serve on the Sonoma County Board of Supervisors when she succeeds **Susan Gorin** in 2025.
